HYBRID EVENT

Gdynia January 2022

Dear Colleagues and Friends,

We would like to announce that the 14th Joint International Conference CLOTECH 2022 will take place on 5 – 8 September 2022 in Gdynia in a form of the hybrid event.

The Organisers of CLOTECH 2022: Gdynia Cotton Association along with the Lodz University of Technology, the Kazimierz Pulaski University of Technology and Humanities in Radom as well as the Technical University in Dresden – would like to invite you All to participate in the Conference, which will be held under the title Innovative Materials and Technologies in the Production of Clothing.

The abstract submission is now open.

We would kindly ask you to submit your abstract **before 28.01.2022** on the web page [www.clotech.eu](http://www.clotech.eu). We try to keep everything simple – the template is available at the webpage - only the tentative title and up to 500 characters plain text (without figures) are required.

For more details, interest on conference as well as questions, please visit the conference page [www.clotech.eu](http://www.clotech.eu). We invite you also to contact the CLOTECH 2022 Secretariat or Organizers.

We will update the webpage concerning the program as soon as it is finally approved.

Please, feel free to forward this information to all your contacts.

Hope to meet you during the Conference
